- Gaming
- Volleyball

SUMMARY

Enthusiastic and detail-oriented Computer Science student poised to make a meaningful impact through an internship. I am passionate about web development and eager to apply technical skills in a practical setting. Strong problem-solving abilities, coupled with excellent teamwork and communication skills. Proven capacity to learn quickly and adapt to new technologies. Aiming to leverage academic knowledge and passion for coding to contribute effectively to innovative projects during an internship. Seeking an opportunity to gain hands-on experience, collaborate with experienced professionals, and enhance skills in web development domain.

CERTIFICATIONS

- Software Engineering Virtual Experience**
JPMorgan Chase & Co. - 2023
- Coding Ninjas Scholarship Admission Test**
Coding Ninjas - 2022
- Python & Deep Learning**
Devtown - 2022
- Web Development Bootcamp**
Udemy - 2022
- Python for Everybody**
University of Michigan - 2022
- C Programming**
LinkedIn - 2022

INTERNSHIPS

- WAY2IT Techno Services Pvt. Ltd. | Summer Intern**
June 2022 - July 2022
- CODSOFT | WEB DEV Intern**
September 2023 - October 2023

PROJECTS

- News App using React**
Fetching and displaying news articles using newsApi with a attractive user interface.
- File organizer using NodeJS**
working :- it takes path of a directory and maps all the files in separate folder based on file extension.
- Heartattack Prediction using data mining technique**
designed, trained and tested a ML Model which predicts the cardiac risk factor of an individual by evaluating comparatively with 5 different algorithms(LR, SVC, KNN, DT, RFC)

ACHIEVEMENTS

- Sports Captain | Ethel 2019**
Prefectorial badge and responsibilities.
- Volleyball | CNSG 19**
Third position in Regional level Under-19 volleyball tournament
- Volleyball | SHUATS 23**
Third position in INTER-HOUSE volleyball tournament
